

ALL HANDS IN

Horse-Assisted Nature-Driven Learning
Experience at Pony Power Therapies

ALL HANDS IN

All HANDS In provides an interactive, farm-based, non-riding enrichment program that offers participants, ages 14-21, the opportunity to enjoy a unique and unparalleled after-school experience.

Each 10-week semester is made up of structured lessons that use horses, the farm and nature to highlight and practice life, occupational and personal-social skills in a safe, supportive and friendly environment.

Lessons are provided in a small group setting that offers individualized attention and differentiated instruction to fit every participant's specific functioning levels, needs and goals.
